Certificate of Warranty

Terms of Warranty

1. If a Fingershield™ door finger guard installed indoors fails under normal use within ten years from the date of purchase due to a defect in the materials or workmanship, a new Fingershield™ door finger guard will be supplied free-of-charge. The warranty does not cover the cost of removal, disposal nor the installation of the replacement Fingershield™ door finger guard.
2. Fingershield™ door finger guards must be installed in accordance with the Fingershield™ Installation Instructions and Installation Videos. They can be found on the Home page of the Fingershield™ LLC web-site at www.fingershield.com
3. Fingershield™ door finger guards must not have been installed on doors with defective hinges
4. Prior to replacing a defective Fingershield™ door finger guard, Fingershield™ LLC reserves the right for an official representative of the company to inspect the Fingershield™ door finger guard to establish the cause of the failure.
5. The original invoice must be retained as proof of the date of purchase of the Fingershield™ door finger guard reported as having failed.
